Australia's #1 buffalo lawn.

The same Sir Walter you know and love!

**Sir Walter DNA Certified is still the same; much loved Aussie lawn that has been Australia's No.1 Buffalo for over 20 years.**

Sir Walter Buffalo Lawn has stood the test of time, proving time and time again that it will go anywhere and grow anywhere; in full sun or shade, in extreme heat, frost or drought. It's still the same Sir Walter and to keep it that way, we're DNA certifying it.

Sir Walter DNA Certified will continue to show these great qualities, with the assurance the product you are purchasing is true Sir Walter with genetic assured purity.

Born right here in Australia, Sir Walter was bred to be tough yet soft and good looking to boot! Since 1997 there has been over 70 million square meters of Sir Walter sold Australia wide – that's the equivalent of over 500,000 Aussie homes!

There is really no match for Sir Walter DNA Certified.

How do you know it's genuine Sir Walter?

To ensure you are purchasing Sir Walter DNA Certified, always be sure you are purchasing from a Lawn Solutions Australia member or accredited Lawn Solutions Centre. Look for the Sir Walter DNA Certified logo and be sure to check you have received a AusGAP Certificate of Authenticity with your order.
